

It's Good To Be Back!

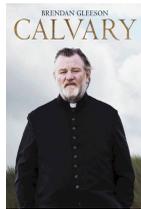

We have really missed being able to bring you the films you love. So that we can get back together as soon as possible, we are starting this season showing a film every three weeks, featuring the ones we missed at the end of the 2019/20 programme. Before Christmas we will be planning the rest of the season, so please do let us know if you have any ideas for future films. In these uncertain times, it is, of course, possible that plans will need to change at short notice, so do check the website regularly at ckfilmsociety.org.
